MISS CZECH & SLOVAK AMERICA 2011 IMPRESSIONS

ABOUT US

WHO ARE WE?

Miss Czech & Slovak America is an entertainment event held every three years in New York City. This event is continuing the legacy of Miss Czech & Slovak Canada 2010 (www.missczechslovakcanada.com) and Miss Czech Slovak America 2011 (www.missczechslovakcanada.com) which has been in existence for the past five years, and in this short period of time has enjoyed tremendous fame and worldwide recognition.

Organizer: CANADA.SK Entertainment, Inc. is North American Events, Media and Promo agency, residing in Toronto. It's primary focus are Czech and Slovak cultural events. Agency has organized shows and concert tours for popular artists such as Karel Gott, Miro Zbirka, Peter Nagy, Lenka Filipova, Robo Grigorov, Taktici, Bez ladu a skladu, Radosinske Naivne Divadlo, etc... Events took place in New York City, Toronto, Chicago, Detroit, New Jersey, Montreal, and other North American cities.

The agency is providing high quality entertainment to many areas including performing arts, concerts, theatre as well as corporate functions, conventions and private parties. All events are different and we will tailor them to your specific requirements. We understand the need for attention to detail and precision.

The company's name, popularity and current marketing strategies draw a large Czech and Slovak communities annually. Although the company's headquarters are in Toronto, America, its business sponsors and affiliates span worldwide.

This provides an opportunity to maximize worldwide exposure given that the Miss Czech & Slovak America is copyrighted by CANADA.SK Entertainment, Inc. and the only event that bears such a name in the world.

WHY SPONSOR MISS CZECH & SLOVAK America?

Miss Czech & Slovak America believes in a strategic aggressive marketing and promotional plan to draw continuous public interest in its annual event. Along with that, the company's sponsors, and their related products and services enjoy well-suited exposure within Toronto's ethnic market.

For the previous cultural events, company products ranging from beauty products to specialty foods to financial institutions and cellular companies, were main sponsors for the events.

HOW SUPPORTING SUCH EVENTS CAN HELP YOUR COMPANY?

Czech and Slovak consumers arriving in an ethnically diverse nation such as America are likely to have a limited knowledge of the marketplace. Combined with possible communication difficulties, constrained decision making may result when selecting both products and suppliers.

By associating your company's name and products to the Miss Czech & Slovak America event, your company will be marketed to the Czech and Slovak community markets. Major advantage of marketing within the Czech and Slovak Communities in America is the opportunity to develop a wide customer relationship. A sponsorship partnership with the Miss Czech & Slovak America maximizes the introduction and full exposure of your company's products and services to the Czech and Slovak population.
